Total Time 45 minutes

Rating ★★★★★ (10,181)

Like a cross between baked ziti and sausage lasagna, this mozzarella-topped pasta is rich with ricotta and crushed tomatoes — and cooks entirely in one pan, including the pasta. The Italian sausage adds meaty depth to the sauce, but vegetarians can leave it out or use their favorite plant-based sausage instead.

INGREDIENTS

Yield: 4 servings

3 tablespoons extra-virgin olive oil
¾ pound bulk hot or mild Italian sausage (pork, chicken or turkey)
4 garlic cloves, thinly sliced
1 teaspoon dried oregano
½ teaspoon fennel seeds, coarsely crushed
Pinch of red-pepper flakes, plus more for serving (optional)
1 (28-ounce) can whole peeled tomatoes with their juices
1 (14-ounce) can crushed or strained tomatoes

PREPARATION

Step 1

Heat oven to 425 degrees. Heat oil in a 12-inch ovenproof skillet over medium-high. Crumble sausage into skillet, using a spoon to break it into small pieces. Cook until starting to brown, stirring occasionally, 5 to 7 minutes. Stir in garlic, oregano, fennel seeds and red-pepper flakes (if using), and cook another 1 to 2 minutes.

Step 2

Stir in whole tomatoes and their juice, using a spoon to break them up. Add crushed tomatoes, bay leaves and 2 teaspoons salt, and bring to a simmer. Simmer for 10 minutes to thicken slightly.

Step 3

Stir in pasta and 1 cup water and return to a simmer. Continue to simmer for 2 minutes, stirring frequently to make sure pasta

2 bay leaves

Kosher salt

12 ounces dried pasta, such as small shells, farfalle or other shaped pasta

8 ounces fresh mozzarella, torn into bite-size pieces

6 ounces whole-milk ricotta (about $\frac{3}{4}$ cup)

$\frac{1}{3}$ cup grated Parmesan

$\frac{1}{4}$ cup basil leaves

Black pepper, for serving

doesn't stick to the bottom of the pan. Remove from heat, pluck out the bay leaves, and fold in about a third of the mozzarella.

Step 4

Top pasta with remaining mozzarella and dollops of ricotta.

Sprinkle with Parmesan, then transfer to oven. Bake until pasta is tender when poked with a fork, and cheese is bubbly and lightly golden, 18 to 22 minutes. (If you'd like a more deeply browned topping, run the pan under the broiler for 1 or 2 minutes.) Remove from oven and let cool slightly before serving. Top with basil, plenty of black pepper, and more red-pepper flakes, if you like.
